

## ÜNLÜ & Co Expands Investment Advisory Services in the UK

**UNLU Securities UK Limited has been granted a new set of permissions from the FCA to provide investment advisory services to individual and institutional investors in Global Markets.**

UNLU Securities UK Limited, **the London-based subsidiary of Türkiye's leading investment services and asset management group ÜNLÜ & Co**, is expanding its scope of business in the UK. Since 2019, the company has been providing Capital Markets and Corporate Finance advisory services to institutional clients in London as a regulated entity by the Financial Conduct Authority (FCA). The company has now expanded its activities to include Investment Advisory services to institutional and individual clients in the UK.

**Mahmut L. Ünlü, Chairman and CEO of ÜNLÜ & Co**, stated that “the new set of permissions, granted following a meticulous review process by the FCA, had reinforced our confidence in our new business model and capabilities,” and continued “providing Investment Advisory services to a wider range of clients in the UK will be a significant step in our strategy of becoming a holistic international Financial Services group. We strongly believe that our new business model will create opportunities and synergies for our group and clients in Global Markets.”
